Jerusalem, April 19, 2017

Dear Friends and Partners,

The wildfires that blazed through Israel in November 22-27, 2016 were unprecedented in their intensity and scale, exacerbated by high temperatures and dry winds. As KKL-JNF in Israel and around the world responded immediately to the alarming situation, emergency fundraising campaigns were initiated.

New Zealand brought together the members of the various Jewish Organizations in the community, and so I wish to firstly extend our thanks and deep gratitude to New Zealand Jewish and pro-Israel communities and The Zionist Federation of New Zealand for supporting Israel and KKL-JNF. I wish to also extend a personal thanks to each individual for their partnership and friendship during the difficult times.

The funds raised will support the purchasing of new personal safety and communication gears for our firefighters.

During this year, 2017, as we jointly celebrate ANZAC Centennial in Israel I would also like to extend our invitation to you to join us in Israel for the celebration and to realize and strengthen the bond of our people.

With warmest wishes to each of you,

Sincerely,
