CMNZ 2017

Simcha is a Hebrew word meaning JOY, and there's no missing the fact that it's something God has in mind for His children! SIMCHA 2017 is a joy-filled gathering of believers in Yeshua (Jesus) who enjoy worship and teaching from a Jewish perspective... which is certainly relevant considering the Jewish roots of our Scriptures, our Saviour, and our Salvation (John 4:22).

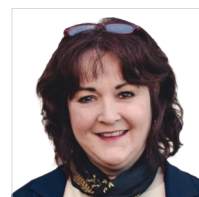

Join us at Celebrate Messiah NZ for SIMCHA 2017 as we consider this year's theme...

Cosmically apocalyptic. Wildly political. Dangerously prophetic.

Regardless of your attitude toward the writings of the Prophet Daniel, there is no denying the profound impact they have made over the centuries.

Our speakers and worship leader are from our own CMNZ team:
Scott Brown, Zohar Gonen, Anton Heyns, and Teresa Thomas
